

“Chair-ity” Campaign

Let the Dixie Center for the Arts become your favorite “Chair-ity”! There are still theater seats available to be named for you, your family, your favorite aunt, your school, your club or organization, your high school class or anyone else you want to honor or memorialize.

Donors of \$1000 or more receive a brass plate with the name of your honoree affixed to a theater seat. You can choose from the seats that are still available or let us choose one for you. Did you have a special place in the balcony that you “courted” your sweetheart in? Come by the theater and pick one out!

Remember, all donations to the Dixie Center for the Arts are tax deductible.
